BİLKENT UNIVERSITY

Bilkent University, Turkey's first private, nonprofit institution of higher education, is internationally recognized as the country's premier university. Located in Ankara, it hosts over 13,000 students in 34 undergraduate and 58 graduate programs, with English as the medium of instruction. Bilkent boasts a vibrant international community, with faculty from 34 countries and students from 73 nations. Its 500-hectare campus offers excellent educational facilities and a lively cultural and social atmosphere, just 12 kilometers from Ankara's city center, providing easy access to historical, cultural, and recreational landmarks across Turkey.

BOĞAZIÇI UNIVERSITY

Boğaziçi University, Turkey's premier institution of higher education, is internationally recognized for its academic excellence. Located in Istanbul's Bebek district, the university offers a vibrant campus life with 6 faculties, numerous undergraduate and graduate programs, and courses taught entirely in English. Boğaziçi is deeply committed to global engagement, hosting students from around the world and maintaining Erasmus and exchange partnerships with institutions in over 30 countries. With state-of-the-art facilities, a rigorous academic environment, and a focus on fostering critical thinking and leadership, Boğaziçi equips its students to thrive in a globalized world.

METU NORTHERN CYPRUS CAMPUS

The Middle East Technical University Northern Cyprus Campus (METU NCC), established in 2000 as the first overseas campus of a Turkish university, offers 15 undergraduate and 5 graduate programs, maintaining the same academic excellence as its home campus in Ankara. With over 3,150 students and more than 1,600 successful alumni globally recognized for their METU diplomas, the campus promotes leadership, critical thinking, and global readiness. Students benefit from diverse cultural and sports activities, including modern leisure facilities and over 40 student associations.

FENERBAHÇE UNIVERSITY

Located in the heart of the city, Fenerbahçe University offers a multicultural and dynamic learning environment. With 7 faculties, 31 departments, and 14 programs in the Vocational School of Health Services, it aims to nurture innovative individuals who excel in science, technology, arts, culture, and sports, making a global impact.

YÜKSEK İHTİSAS UNIVERSITY

Yüksek İhtisas University, established in 2013, is a leading foundation university in Ankara specializing in health sciences. With diverse programs, advanced clinical training through partnerships, and a commitment to excellence, it continues to shape future healthcare professionals.

LOKMAN HEKİM UNIVERSITY

Lokman Hekim University, established in 2018, offers comprehensive education in health sciences with 11 undergraduate programs, 18 Master's and 9 Doctorate programs, and 13 research centres. Located in Ankara, the university provides students with practical experience through its university hospital and strong academic staff.

ERCİYES UNIVERSITY

Erciyes University, established in 1978 in Kayseri, Turkey, is a leading public research university recognized for its contributions to education, research, and innovation. Designated as one of the first 10 research universities in Türkiye, it stands as a prominent institution outside of Istanbul, Ankara, and Izmir.

ATILIM UNIVERSITY

Atılım University, founded in 1997 in Ankara by the Atılım Foundation, is dedicated to providing quality education, advancing science and technology, and cultivating innovative research. With a global perspective, it offers English-medium programs, cutting-edge research facilities, and international collaborations, striving to shape entrepreneurial and creative individuals.

OSTİM TEKNİK UNIVERSITY

Ostim Teknik University Graduate School of Engineering and Science, established in 2020, is located in the OSTİM industrial zone, promoting collaboration with industry for cutting-edge research. The institution aims to train innovative researchers with an entrepreneurial spirit, focusing on high-tech R&D and solutions to urgent global challenges.

İSTANBUL GELİŞİM UNIVERSITY

Istanbul Gelişim University, located on Istanbul's European side near Atatürk Airport, is a top choice for international students and one of Turkey's leading universities. With over 30,000 students, it offers a diverse range of undergraduate, graduate, and doctoral programs, emphasising global collaboration, practical learning, and innovative research facilities.
