## Theme: Echoing the Core Living Value

Event and Engagement	Day and Date	Brief
Appreciation Cooperation Trust Inquisitiveness	Thursday 12th September 2024	
Modesty Gloom Joy Compassion Responsibility	Monday 11th November 2024	The development of a values-based learning environment is a key component of values education. It is not merely a curriculum subject but, more importantly, a pedagogy, educational philosophy, and practice that fosters positive values in the classroom while encouraging critical thinking, imagination, understanding, selfawareness, interpersonal and intrapersonal skills, and respect for others.
Universality Open mindedness Perseverance Justice Courage	Thursday 7th January 2025	
Equality Generosity Empathy Thankfulness	Monday 3rd March 2025	Teachers are encouraged to integrate values seamlessly throughout all aspects of school life—from the entrance gates to the farthest corners of the school. This includes activities, lesson plans, morning assemblies, class discussions, and aesthetic expressions. Over the course of two months, four specific values will be the primary focus.
Casing all Practiced Values	Friday 2nd May 2025
